Court Rules

Playing Time: Play will be completed in time allotted in the court reservation (30min – 1.5 hr (tennis) or 2hr (pickleball)). Restrictions apply during prime time. See Reservations.

Dress Etiquette: Athletic/court attire is the only attire approved for the indoor and outdoor courts. Black-soled tennis shoes must be non-marking.

Court Etiquette: Control your temper. Abusive or profane language is prohibited. Wait until the point is over before walking onto or crossing behind another court. Please pick up all balls (even behind curtains) after playing and dispose of garbage and collect all belongings.

Beverages: Only water and sports drinks, are allowed in the indoor playing area.

Lights and Doors: If you are the last member to leave the club, close all outside doors when you leave. The court lights and doors will automatically shut off and lock when you depart the club.

Parking: Members are encouraged to park in the Club parking lot. Parking along 27th Avenue, although allowed, should be minimized to avoid congestion and must not interfere with traffic or private property. Parking on the south side of 27th Avenue, across from the pool and outdoor courts, is prohibited.

Tennis/Pickleball Lessons: Formal tennis or pickleball instruction can only be obtained at ATC through programs and services provided by or sanctioned by the Club's Board of Directors. Informal instruction and/or "hitting" between family members is allowed. Occasional hitting drills and incidental pointers or suggestions during play between members are allowed. Hitting lessons are considered formal instruction and are not allowed unless sanctioned by the Club's Board of Directors. Confusion or questions as to what constitutes formal instructing as opposed to incidental suggestions or practice drills will be resolved by the Club's Board of Directors. Participation in unauthorized tennis or Pickleball lessons at ATC can be grounds for loss of membership privileges as determined by the ATC Board of Directors.

All tennis and pickleball lesson programs will give preference to ATC members. Members will be given priority on a session-by-session basis, with non-members allowed to fill remaining class vacancies. Participation by non-members in one set of lessons does not guarantee a spot in the next lesson session.

Group lessons (7 or more) are not allowed on courts 1 and 2 during prime times. With the exception of open court time.

Reservations

Reservations must be made on the on-line court reservation system (go to albanytennisclub.org and click on 'Court Reservations'). Court reservations are allowed to be made beginning at 9:00 pm one week prior to the requested day. The names of ALL members and their guest(s), if any, must be indicated on the reservation system. If you do not properly cancel the time reserved, you may be charged a \$5.00 no-show fee. A reserved court will become 'open' if the reservation is not claimed within 15 minutes of the reservation start time and a no-show fee may be assessed.

Adult members included in each family membership and single membership may use a court twice a week during prime time. Unplanned substitution by a member for another will not count as a prime time court use. Members may only have a guest during prime time twice a month.

You must also fill out the form indicating who will be attending the family night and return it to a lifeguard at least 24 hours before your party. The Family Night form and waiver forms for non-members are available in the guardhouse. Keep in mind that a family night does not give you exclusive rights to the pool at that particular time. The pool and courts will continue to be open to other club members if a family night is scheduled. Again, please remember that it is your responsibility to make sure that your guests are aware of the club rules.

Inclement Weather: On cold and rainy days, the pool may not open or may close early if there are no swimmers. The pool will close when lightning is present or the outside temperature drops below 65 degrees. The pool may also close due to unhealthy air quality (e.g. wildfire smoke).
